

*10th Conference of Parties to the
UN ECE Convention on the Transboundary Effects of Industrial Accidents
Geneva, 4-6 Dec 2018*

Agenda item 8: Financing Bureau's small group on financing

Jasmina Karba

Ministry of the Environment and Spatial Planning, Slovenia

Bureau's small group on financing

Re-established in Jan 2018

Objective: in line with Bureau's responsibility and with the SFM, to actively encourage Parties to engage and support implementation of the Convention's work plan

Members: P. Dadasiewicz (Poland), J. Karba (Slovenia), W.A. Sögelund (Finland), T. Tandberg (Norway)

Search for innovative approaches, maintain contact with Parties, understand reasons behind the level of their support and focus of their interest.

Suggested actions:

- information on how the Convention is financed to be shared
- open and honest exchange of Parties views
- presentation of examples of good practice
