

## Item 8. Financing (a)

(a) What financial contribution can your country make in order to support implementation of the vision and objectives set out in the long-term strategy until 2030 (e.g., funding from the competent authority/ies; other national authorities, including ministries of foreign affairs and development cooperation agencies; and other sources)?

As a Party, how can your country support efforts to enhance the sustainability and predictability of financing under the Convention and help to strengthen implementation of the sustainable financial mechanism?

## Item 8. Financing (b)

- b) How can your country contribute in kind to the Convention's activities and support implementation of the long-term strategy (e.g., by planning and implementing assistance activities, hosting meetings, sharing expertise, providing meeting rooms, accommodation and meals or laying out and (re)printing publications)?
