

UN high-level meetings on water and sanitation

In 2021:

A one-day high-level meeting to promote the implementation of the water-related Goals and targets of the 2030 Agenda in New York

In 2023:

United Nations Conference on the Midterm Comprehensive Review of the Implementation of the Objectives of the International Decade for Action in New York from 22 to 24 March

WATER
ACTION DECADE
2018-2028

Key opportunities

A space for **Member States** and all **stakeholders** to:

- bring all **sectors together** to address the water crises
- **share lessons** and experiences and build partnerships
- comprehensively **review implementation**
- **strengthen accountability and accelerate progress** on SDG 6 and other relevant global targets at the country level
- make **agreements and commitments**
