

Programme of Work for 2020-2022

Programme Area 1: Improving governance of water and health: Support for setting targets and implementing measures

Awilo Ochieng Pernet
Switzerland

5th session

**Meeting of the Parties to the
Protocol on Water and Health**

19-21 November 2019 | Belgrade | Serbia

Objectives and expected outcomes:

**Reinforce implementation of the Protocol's core provisions
on target setting and reporting under articles 6 and 7**

1. Setting targets and implementing measures

- a) Build capacity to address specific issues and common challenges related to setting targets and implementing measures and facilitate the sharing of experience under Programme areas 2 to 7 in close cooperation with the lead Parties (Two Task Force meetings will be organised).

- b) Organise tailor-made national, sub-regional and regional workshops to advance setting of targets and implementing measures.

1. Setting targets and implementing measures (continued)

- c) Promote setting of targets under the Protocol in support of the implementation of the 2030 Agenda and the Ostrava Declaration in particular by disseminating and promoting the use of the *Protocol on Water and Health and the 2030 Agenda: a practical guide for joint implementation*.

- d) Promote good practices on setting targets and implementing measures and facilitate twinning between Parties.

2. Strengthening reporting capacity

- a) Support improvements in the quality of reporting including the development of an electronic reporting tool.

- b) Strengthen linkages between the Protocol reporting system and the 2030 Agenda monitoring framework and further establish linkages with WHO/UNICEF JMP, UN-Water GLAAS and GEMI. (A thematic meeting of the Task Force will be organised).

2. Strengthening reporting capacity (continued)

- c) Guide the Secretariat in preparing the regional implementation report based on national summary reports submitted prior to the sixth session of the Meeting of the Parties in 2022.

3. Fostering synergies with the 2030 Agenda and the Ostrava Declaration

- a) Based on the *Protocol on Water and Health and the 2030 Agenda: a practical guide for joint implementation*, strengthen synergies with processes related to SDGs pertinent to water, sanitation, hygiene and health at the national, regional and global levels.

- b) Strengthen synergies with the European Environment and Health Process by positioning the Protocol as an effective instrument in implementing and tracking progress on the Ostrava Declaration water-, sanitation-, hygiene- and health-related commitments.

Thank you for your attention
