

**National Policy Dialogue Steering Committee Meeting**

**Summary Record Cover Page**

**3<sup>th</sup> Meeting of the Steering Committee of the National Policy Dialogue on IWRM in Ukraine**

Country and location: **Ukraine, Kyiv**

Date: **November 5, 6, 2019**

- The Steering Committee welcomes progress in recent policy developments and institutional changes in the water sector of Ukraine according WFD requirements and emphasized on speed up to implementation others water directives.
- The Steering Committee welcomes that the new targets in the context of the Protocol on Water and Health have been completed and submitted to the Ministry for adoption.
- All participants agreed that Ukraine needs a broad agreement for a national water resources management strategy in Ukraine that contained meaningful indicators and will supported by an action plan to drive implementation.
- Ukraine needs political ownership of the strategy with clear roles and responsibilities at an operational level and stakeholder dialogue from water resources management, water supply and sanitation and across key economic sectors including agriculture, hydropower and industry.
- New strategic documents are an opportunity to commence the reform journey and accept the need to keep documents as living roadmaps to evolve and be updated as reform progresses.
