#### *Summary*

The draft decision contained in the present document responds to the request of the Meeting of the Parties to the Convention on Environmental Impact Assessment in a Transboundary Context at its seventh session (Minsk, 13–16 June 2017) for the Implementation Committee to revise draft decision VII/2 on the review of compliance with the Convention, taking into account the work already carried out and the progress achieved before, during and after the seventh session of the Meeting of the Parties (ECE/MP.EIA/23-ECE/MP.EIA/SEA/7, para. 27). To facilitate its consideration and adoption, draft decision VII/2 has been split into separate draft decisions: a draft decision on general issues of compliance and draft decisions on separate country-specific compliance issues.

Draft decision IS/1c presents a revised version of the text of draft decision VII/2 concerning the follow-up by Azerbaijan to decision VI/2.

The Meeting of the Parties is expected to review the draft decision and agree on its adoption.

*The Meeting of the Parties,*

*Recalling* article 11, paragraph 2, and article 14 bis of the Convention on Environmental Impact Assessment in a Transboundary Context,

*Recalling also* its decisions V/4, paragraphs 31–32,<sup>1</sup> and VI/2, paragraphs 38–44,<sup>2</sup> concerning compliance by Azerbaijan with regard to its national legislation for the implementation of the Convention,

*Recalling further* its decision at its seventh session to finalize its deliberations on the review of compliance with the Convention at an intermediary session, based on a revised draft decision to be prepared by the Implementation Committee and taking into account the work carried out and progress achieved before and during the seventh session,<sup>3</sup>

*Having considered* the sections concerning Azerbaijan in the report on the activities of the Implementation Committee to the Meeting of the Parties to the Convention at its seventh session<sup>4</sup> and in the reports of the Committee on its thirty-ninth,<sup>5</sup> fortieth<sup>6</sup>, forty-first<sup>7</sup> and forty-second sessions,<sup>8</sup>

*Acknowledging* the technical advice provided by the secretariat to the Government of Azerbaijan to assist the country in bringing its legislation into line with the provisions of the Convention and the Protocol on Strategic Environmental Assessment, further to paragraph 44 of decision VI/2,

*Recalling* its decision IS/1 on the review of compliance with the Convention adopted at the intermediary session,

1. *Notes* the information received from and the steps taken by the Government of Azerbaijan since the sixth session of the Meeting of the Parties (Geneva, 2–5 June 2014);

2. *Welcomes* the entry into force on 17 July 2018 of the Law on Environmental Impact Assessment, which provides a general legislative framework for environmental impact assessment in Azerbaijan;

3. *Notes* some deficiencies and discrepancies in the Law with respect to the Convention;

4. *Also notes* that the secondary legislation, including the detailed procedure for implementing the Convention, has not yet been adopted;

5. *Regrets* that, despite steps taken since the sixth session of the Meeting of the Parties, the Government of Azerbaijan has still not fully implemented the requests addressed to it in paragraphs 41 and 42 of decision VI/2, and that the State Party therefore remains in non-compliance with article 2, paragraph 2, of the Convention;

6. *Urges* the Government of Azerbaijan to ensure, without delay, that its environmental impact assessment legislation fully complies with the Convention;
