

# EPR Programme: main achievements

## ENVIRONMENT

- Completion of 3rd cycle reviews for more than half of eligible countries
- Integration of relevant SDGs into the reviews conducted since 2017
- Launch of a new area of activities to assist reviewed countries in the implementation of EPR recommendations
- Improved communication and outreach

# Environmental Performance Review Programme

ENVIRONMENT

*From your perspective, what progress has been made in the third cycle of EPRs and what is your opinion on the integration of SDGs into EPRs?*

# Environmental Performance Review Programme

ENVIRONMENT

*From your perspective, what can be enhanced in the EPRs in the future?*

# Environmental Performance Review Programme

ENVIRONMENT

- 1. What progress has been made in the third cycle of EPRs and what is your opinion on the integration of SDGs into EPRs?*
- 2. What can be enhanced in the EPRs in the future?*
