Bonn International Water Conference 2021

Water Action Decade 2018-2028

Greater Focus on:

1. Sustainable development and integrated management of water resources for achievement of social, economic and environmental objectives
 2. Implementation and promotion of related programmes and projects
 3. Furtherance of cooperation and partnerships at all levels to achieve internationally agreed water-related goals and targets, including 2030 Agenda
-

Water Action Decade 2018-2028

- UN SG will organize Conference on the Mid-Term Review of Water Decade in 2023:
- progress review on Water Decade and SDG 6
- ➔ will provide input into future HLPFs
- Thematic and regional preparatory meetings and conferences

Bonn International Water Conference 2021

Will connect the dots between:

- Previous German efforts on the WEF-Nexus (e.g. Bonn Conference 2011)
- Raising awareness on interlinkages between water resources, ecosystems health, public health and climate change
- Holistic approach of the 2030 Agenda
- UN SGD 6 Global Accelerator Framework
