III. Annotations to the provisional agenda

General segment

1. Opening of the sessions

Tentative timing: Tuesday, 8 December, 10–10.15 a.m.

8. The eighth session of the Meeting of the Parties to the Convention and the fourth session of the Meeting of the Parties to the Protocol will be opened by the Chair of the Bureau.

9. Delegates will be welcomed by a representative of the Government of Lithuania.

2. Organizational matters

Tentative timing: Tuesday, 8 December, 10.15–10.45 a.m.

(a) Election of the Chair of the general segment

10. The Meetings of the Parties will be invited to elect the Chair of the general segment.

11. The Meetings of the Parties will then convene in a joint meeting to address the organizational matters set out below.

(b) Adoption of the agenda

12. The Meetings of the Parties are expected to adopt the agenda contained in the present document. The provisional agenda was drafted by the secretariat, in agreement with the Bureau and the Working Group on Environmental Impact Assessment and Strategic Environmental Assessment.

Documentation

Informal document

Informal notes on the agenda (ECE/MP.EIA/2020/INF.1)

(c) Report on credentials

13. According to rule 16 of the rules of procedure of the Meeting of the Parties to the Convention (ECE/MP.EIA/2, annex I), which applies, mutatis mutandis, to the Meeting of the Parties to Protocol, the credentials of representatives of Parties (heads of delegation), and the names of alternate representatives and advisers, are to be submitted to the secretariat. Delegations are invited to do this before the start of the sessions, either in person or by post. Any later change in the composition of the delegation must also be submitted to the secretariat. The credentials should be issued either by the Head of State or Government or by the Minister for foreign affairs or, in the case of a regional economic integration organization, by the competent authority of that organization. Only Parties with valid credentials will be able to participate in the adoption of a decision or declaration.

14. All Parties should send the secretariat a copy of the credentials at the latest two weeks prior to the session, that is to say, by 24 November 2020.

15. The Chair will examine the credentials and report on them to the Meetings of the Parties (see rule 17 of the rules of procedure). The Meetings of the Parties will be invited to take note of the report on the credentials of the representatives of Parties attending the Meetings of the Parties. Representatives may participate provisionally, pending this action.

(d) Status of the Convention and its amendments and the Protocol

16. The secretariat will inform participants about the status of ratification of the Convention and its two amendments since the intermediary sessions of the Meetings of the Parties (Geneva, 5–7 February 2019). Delegations will be invited to report on planned ratifications. The Chair will invite each Party to the Convention that has not yet ratified the two amendments to report on its preparations for ratification. In particular, the delegations of Armenia, Belgium, North Macedonia, the United Kingdom of Great Britain and Northern Ireland and Ukraine will be invited to provide detailed information on steps taken towards the ratification of the first amendment to the Convention. The missing ratifications from these five Parties, which were Parties to the Convention at the time of the adoption of the first amendment, are necessary for that amendment to have effect, opening accession to the Convention to all States Members of the United Nations. Then, the representatives of the nine Parties that have not yet ratified the second amendment – Armenia, Belarus, Bosnia and Herzegovina, Ireland, Kazakhstan, Kyrgyzstan, North Macedonia, Ukraine and the United Kingdom of Great Britain and Northern Ireland – will be invited to report on their progress towards that end. The completion of those ratifications is important to ensure unified application of the Convention by all its Parties.

17. The secretariat will then report on the status of ratification of the Protocol. Delegations will be invited to report on planned ratifications. The Chair will invite each signatory State that has not completed the process of ratifying the Protocol (Belgium, France, Georgia, Greece, Ireland and the United Kingdom of Great Britain and Northern Ireland) to report on its preparations for ratification. The Meetings of the Parties will be invited to note the information and to propose any further actions that could be taken to encourage accession to, or ratification of, the Convention, its amendments and the Protocol and, in particular, to accelerate the operationalization of the first amendment as soon as possible.

18. Lastly, Romania, as the depository of the Multilateral agreement among the countries of South-Eastern Europe for implementation of the Convention on Environmental Impact Assessment in a Transboundary Context (the Bucharest Agreement), will be expected to report on the status of that agreement. The two signatory States that have not yet ratified that agreement, Croatia and Greece, will be invited to report on their progress towards that end. The Meetings of the Parties are invited to take note of the information.

21. Delegations will be invited to confirm to the secretariat by 2 November 2020 their pledged contributions to the budget for the Convention and the Protocol in the period 2021–2023, to allow the information on pledges to be compiled and presented at the sessions.

22. The Meetings of the Parties are expected to review and finalize draft decision VIII/1–IV/1 on financial arrangements for 2021–2023. They are invited to keep in mind their deliberations and the information on the Parties' pledged contributions when discussing the workplan under item 3 (a) (ii) below with a view to ensuring that the workplan to be adopted for the period 2021–2023 matches the resources that are expected to be available for its implementation.

Annex II outlines the minimum necessary financial and secretariat staffing resources for the implementation of the workplan activities. Delegations will be invited to confirm that they will be leading or sponsoring activities and hosting events. Considering their earlier discussion on financial matters and the information on contributions for the next intersessional period pledged by Parties earlier, under item 3 (a) (i) above, the Meetings of the Parties are expected to ensure that the workplan matches the resources available for its implementation in the period 2021–2023.
