Status of contributions to the trust fund

Note by the secretariat

- 1. Overleaf are presented updates to the tables A.1 and A.2 on income to the trust fund under the Convention and the Protocol included in annex to the Report on the budget and financial arrangements 2017–2020 (ECE/MP.EIA/2020/2–ECE/MP.EIA/SEA/2020/2) that covers the period from the seventh session of the Meeting of the Parties to the Convention and the third session of the Meeting of the Parties to the Protocol (Minsk, 13–16 June 2017) to mid-September 2020:
 - Table A.1 Income to the Convention's and the Protocol's trust fund
 - Table A.2 Income to the Convention's and the Protocol's trust fund by date
- 2. Table A.3 highlights also separately the earmarked income to the Convention's trust fund further to the request for additional funding to fill the six-month budgetary gap of US\$ 100,000 as a minimum (to cover staff costs for six months) resulting from the unbudgeted extension of the intersessional period until December 2020. At present (early December 2020), that amount has been covered by additional unpledged contributions received from Parties.
- 3. To date, the total income to the Convention's and the Protocol's trust fund, as indicated in tables A.1 and A.2 for the extended 3,5-year intersessional period is US\$ 1,175,145. (The budget adopted by the Meetings of the Parties in June 2017 for a 3-year period 2017–2020 was US\$ 1,183,000).
