a Transboundary Context serving as the
Meeting of the Parties to the Protocol on
Strategic Environmental Assessment

**Working Group on Environmental Impact Assessment
and Strategic Environmental Assessment**

Seventh meeting
Geneva, 28–30 May 2018
Item 3 of the provisional agenda
Compliance and implementation

**Modifications proposed by the Implementation Committee to the
questionnaire for the report on the implementation of the Convention**

Summary

At its seventh session (Minsk, 13–16 June 2017), the Meeting of the Parties to the Convention decided that for reporting and the preparation of the review of implementation of the Convention during the period 2018–2018, the previously used questionnaire would be used, except for minor modifications that the Implementation Committee and the Working Group on EIA and SEA may decide, taking into account the suggestions provided by Parties for improving the report (see decision VII/1 on reporting and review of implementation of the Convention, para. 6).

This document presents (in track changes mark-up) modifications to the questionnaire as proposed by the Implementation Committee at its fortieth session (5–7 December 2017) and agreed by the Bureau at its meeting on 7–8 February 2018.

The Working Group is expected to consider and agree on the draft modified questionnaires and on their subsequent circulation to the Parties.

Part one

Current legal and administrative framework for the implementation of the Convention

In this part, please provide the information requested, or revise any information relative to the previous report. Describe the legal, administrative and other measures taken in your country to implement the provisions of the Convention. This part should describe the framework for your country's implementation, and not experience in the application of the Convention.

Please do not reproduce the text of the legislation itself but summarize and explicitly refer to the relevant provisions transposing the Convention text (e.g., EIA Law of the Republic of ..., art. 5, para. 3, of Government Resolution No. ..., para. ... item...)

Article 1

Definitions

I.1. Is the definition of impact for the purpose of the Convention the same in your legislation as in article 1?

- (a) Yes
- (b) Yes, with some differences (please provide details):
- (c) No (please provide the definition):
- (d) There are no definitions of impact in the legislation

Your comments:

I.2. Is the definition of transboundary impact for the purpose of the Convention the same in your legislation as in article 1? Please specify each below.

- (a) Yes
- (b) Yes, with some differences (please provide details):
- (c) No (please provide the definition):
- (d) There are no definitions of transboundary impact in the legislation

Your comments:

I.3. Please specify how major change is defined in your national legislation:

I.4. How do you identify the public concerned? Please specify (more than one option may apply):

- (a) Based on the geographical location of the proposed project
- (b) By making the information available to all members of the public and letting them identify themselves as the public concerned

Part two

Practical application during the period 2013–2015

Please report on your country's practical experiences in applying the Convention (not your country's procedures described in part one), whether as Party of origin or affected Party. The focus here is on identifying good practices as well as difficulties Parties have encountered in applying the Convention in practice. The goal is to enable Parties to share solutions. Parties should therefore provide appropriate examples highlighting application of the Convention and innovative approaches to improve its application.

II.1. Does your country object to the information on transboundary EIA procedures that you provide in this section being compiled and made available on the website of the Convention? Please specify (indicate "yes" if you object):

(a) Yes

(b) No

Your comments:
