

**Statement by Armenia in response to the statement of Azerbaijan
Adoption of the Decision on the review of compliance of the Convention**

Thank you, Mr. Chair,

We are sorry to take the floor once again. It will take us less than 2 minutes to express our position, as we understand that all the delegations are tired and we do not consider it necessary to further prolong the process.

Our position has already been stated many times on this issue. Armenia acts in full compliance with IAEA safeguards and procedures.

Regarding the statement of Azerbaijan, we ask you to disregard the whole statement. As has been stated, it's not in compliance with the rule 45 of the Rules of Procedure of the Convention.

Thank you, Mr. Chair.

Remarks by Armenia on the adoption of the Declaration

Thank you, Mr. Chair,

I would like to state once again that Armenia made a reservation with regard to para 6. Therefore we do not consider ourselves bound by that paragraph. We would like to ask you to record our position in the report.
