

Enhancing strategic environmental assessment in Georgia

Technical advice and capacity-building

Secretariat to the Espoo Convention and its Protocol on SEA
United Nations Economic Commission for Europe

11 December 2015 / Kakheti, Georgia

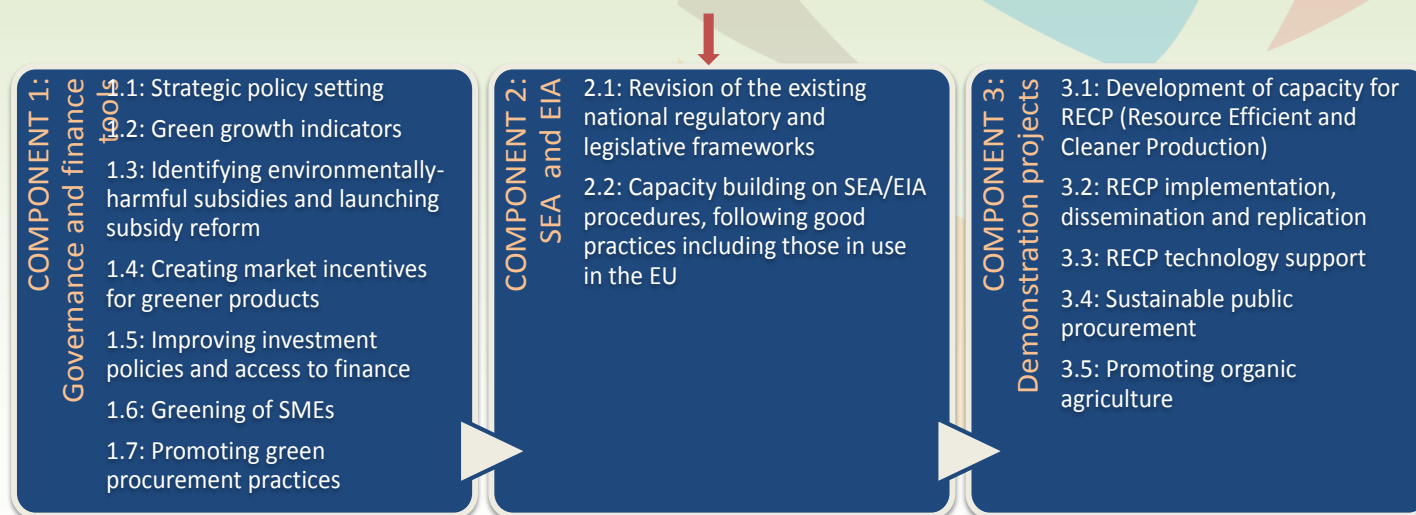

EaP GREEN: general information (1)

- A large regional programme for the period **2013-2016**
- Implemented by **UNECE**, OECD, UNEP, and UNIDO
- Financed by the European Union, the four implementing organisations and other donors
- Aims to assist Armenia, Azerbaijan, Belarus, **Georgia**, the Republic of Moldova and Ukraine, in their transition to green economy

EaP GREEN: general information (2)

Overall objective: To assist the EaP countries to decouple **economic** growth from **environmental** degradation and resource depletion.

Three pillars components

UNECE Component 2 – to promote the use of SEA and EIA as essential planning tools in transition to the green economy

SEA/EIA Component in Georgia

Revision of the existing national regulatory and legislative framework

- Legislative review of SEA and EIA (2014)
- Legal drafting for SEA legislation (2014-2015, 2016)
- Sub-regional overview (2015)

Capacity building on SEA/EIA procedures

- National level training on SEA (2016)
- Development of national guidance doc. (2016)
- Pilot SEAs (2016)
- Coordination and experience-sharing events (once per year/ 2015 – Lopota)

Strengthening administrative capacities

- Legislative reviews and development of recommendations
- Policy dialogue
- Institutional reviews and recommendations

Looking forward
to
a productive discussion!
