SEA Workshop for Planning Authorities and Consultants

November 30 – December 1, 2016

Hotel Laerton, 14 Iliko Kurkhuli St, Tbilisi, Georgia

SEA Directive

- Results of SEA adopted into the final decision by planning/approving authority (e.g. the Netherlands)
- Separate statement of reasons (e.g. Italy)
- The SEA has not a permitting nature – it is a decision-supporting tool, not a decision-making!

Czech Republic: SEA statement

- Issued by SEA authority
- SEA authority has to take into account all submitted comments
- SEA statement has to be sent to P/P/P developer, concerned authorities and is made publicly available
- P/P/P cannot be approved without SEA statement (even though its is not binding for the final decision-making)
