Provisional schedule of meetings

Note by the secretariat

This note presents a provisional schedule of official meetings for the remainder of the current intersessional period, i.e. in 2019 and 2020, as proposed by the Bureau and as agreed by the Working Group on Environmental Impact Assessment and Strategic Environmental Assessment at its seventh meeting (Geneva, 28–30 May 2018). In addition, the Bureau subsequently agreed that it should meet on 17-18 June 2019 to prepare for the eighth meeting of the Working Group to be held in November.

The meeting dates for the 2020 meetings to be held in the Palais des Nations were preliminarily booked in early 2019 in consultation with the Bureau and the Implementation Committee, but they will remain subject to confirmation by the UN Geneva Office until July 2019.

In addition to the official meetings, the note lists planned meetings of the ad hoc working group on the application of the Espoo Convention to the lifetime extension of nuclear power plants. The dates and venues of the meetings will be confirmed by the co-chairs of the group in due time.
