

PROPOSAL ON THE AMENDMENT TO THE DECLARATION BY MINISTERS¹
(Sixth Ministerial Conference “Environment for Europe”, 10-12 October 2007, Belgrade)

Submitted by the fourth meeting of the Bureau of the UNECE Steering Committee on Education for Sustainable Development, held on 19 February 2007 in Geneva.

Paragraph 10A.

Progress made in developing and implementing ESD at the UNECE regional, subregional and national/state levels.

Paragraph 21.

Recognising the importance of the ESD process as a relevant prerequisite and framework for the capacity building initiatives and multistakeholder partnerships in the region within the “Environment for Europe”

Welcome the Statement on ESD by Ministers of Education and of the Environment and the outcome of their joint session and urge countries which have adopted the UNECE Strategy for ESD to further strengthen efforts for the implementation of the Strategy at all levels during the Phases II and III by the end of the United Nations Decade of Education for Sustainable Development.
