Dear Ms. Maryna Yanush

Thank you for giving us the possibility to comment on the draft of the progress report.

We have one remark : In our answer to question 12 (p. 64) it should say „In 2015, an ENGO requested info from...“. It wasn't Pro Natura, but another ENGO who was involved in the case stated.

We have no further remarks. Unfortunately we can't give any precisions concerning the concept of *mediation* in the environmental field, as our organisation was never involved in such a procedure so far.

With kind regards,

Franziska Scheuber
