Dear Ms Marshall,

The communicant Ökobüro and the observer ClientEarth have the honour of submitting an update letter in Communication ACCC/C/2015/128 that contains an analysis of the recent ruling from the Court of Justice of the European Union in case Austria v. Commission (C-594/18P). This ruling confirms that Commission state aid decisions can contravene national (EU) law related to the environment and therefore fall under the scope of Article 9(3) of the Convention.

We wish you a good receipt thereof.

Kind regards,

Juliette Delarue
Lawyer, State aid
