Subject: ACCC/C/2016/138 (Armenia) - request to communicant for English translations

Dear Mr. Grigorian,

At its 68th meeting on 23-27 November, the Compliance Committee will continue its deliberations on its draft findings on communication ACCC/C/2016/138 (Armenia).

In advance of that meeting, the Committee has asked me to request the communicant to provide English translations of the following documents:

1. The complete judgment of the Administrative Court of 9 April 2015 (an English translation of some, but not all, of the judgment is attached as annex 1 to the communication);
2. The complete judgment of the Administrative Court of Appeal of 12 June 2015;
3. The relevant paragraph of the EIA affirmative conclusion (annex 5 to the communication) which describes how many additional square hectares of open-pit mining would be added through the November 2014 mining license extensions.

The Committee would be grateful to receive the above English translations by Monday, 23 November, in order that they can be taken into account during the 68th meeting.

Please do not hesitate to contact me if you have any questions regarding the above.

Kind regards,
Fiona
