*The Meeting of the Parties,*

*Taking note* of the report of the Compliance Committee under the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (ECE/MP.PP/2014/9), as well as the findings of the Committee on communication ACCC/C/2008/31 (ECE/MP.PP/C.1/2014/8, forthcoming) concerning access to justice for environmental non-governmental organizations (NGOs),

*Encouraged* by Germany's willingness to discuss in a constructive manner the compliance issues in question with the Committee,

1. *Endorses* the following findings of the Committee with regard to communication ACCC/C/2008/31:

(a) By imposing a requirement that to be able to file an appeal under the Environmental Appeals Act an environmental NGO must assert that the challenged decision contravenes a legal provision "serving the environment", the Party concerned fails to comply with article 9, paragraph 2, of the Convention;

(b) By not ensuring the standing of environmental NGOs in many of its sectoral laws to challenge acts or omissions of public authorities or private persons which contravene provisions of national law relating to the environment, the Party concerned fails to comply with article 9, paragraph 3, of the Convention;

2. *Recommends* to the Party concerned that it take the necessary legislative, regulatory and administrative measures and practical arrangements to ensure that:

(a) NGOs promoting environmental protection can challenge both the substantive and procedural legality of any decision, act or omission subject to article 6 of the Convention, without having to assert that the challenged decision contravenes a legal provision "serving the environment";
