**4th meeting of the Working Group of the Parties to the PRTR Protocol  
(Madrid, 26 November 2015)**

EU+MS contribution

**Agenda item 10: Adoption of decisions and outcomes of the meeting**

I would like to say a few closing remarks on behalf of the European Union and its Member States.

First of all, we are very satisfied for the outcome of this meeting. We have had a number of interesting briefings and debates, and we have made progress in the preparations for the upcoming Meeting of the Parties in 2017. We will of course engage in post-WGP 4 work by submitting written comments, as required by the Chair.

We would like to reiterate our gratitude to the Government of Spain for hosting the 4th Working Group of the Parties to the PRTR Protocol in Madrid, and in particular to the team that has been in charge of the logistics behind the scene.

Last but not least, we would like to thank the UNECE Secretariat for the professional manner in which they have contributed to the success of this meeting before and during WGP 4.

The Madrid PRTR Week is not over yet, as there will be a Bureau meeting tomorrow that is expected to take stock of this week's meetings and bring our common PRTR agenda forward.

We are looking forward to see you all at the upcoming WGP 5 meeting in 2016.
