

PRTR Protocol
8th meeting of the Working Group of the Parties (WGP 8)
(Geneva / virtual, 16-18 December 2020)

Draft EU+MS proposal for a WGP 8 recommendation to the fourth Meeting of the Parties to the Protocol (MoPP 4) to adopt a decision on development of the PRTR Protocol

Summary

Decision I/4¹ tasks the Working Group to prepare the sessions of the Meeting of the Parties to the Protocol, and make proposals and recommendations to the Meeting of the Parties as it considers necessary for the achievement of the purposes of the Protocol.

The European Union and its Member States propose that the Working Group of the Parties adopts a Recommendation to the Meeting of the Parties to adopt a draft decision on development of the Protocol.

Draft Recommendation to the fourth Meeting of the Parties to the Protocol for a decision on development of the Protocol
Submitted by the Working Group of the Parties

The Meeting of the Parties,

Recalling decisions and major outcomes adopted by the Working Group at its seventh meeting², in particular as regards Item 6,

Aware that some Parties are interested in information on possible approaches for Parties to develop PRTRs, going beyond the current requirements of the Protocol,

Recalling that pursuant to Article 6(2) of the Protocol, having assessed the experience gained from the development of national pollutant release and transfer registers and the implementation of this Protocol, and taking into account relevant international processes, the Meeting of the Parties shall review the reporting requirements under this Protocol and shall consider specified issues in its further development,

Also recalling that pursuant to Article 20 of the Protocol, Parties may propose amendments to the Protocol and that such proposals are to be considered by the Meeting of the Parties,

- i) Welcomes the Report on the development of the Protocol on Pollutant Release and Transfer Registers³ prepared by the Bureau;
- ii) Adopts the Report on the outcomes of the survey on the experiences in implementing the Protocol on Pollutant Release and Transfer Registers⁴ as a reference document for Parties, with a view to informing Parties' consideration of possible options to improve the Protocol meeting its objectives;
