

## Meeting of the Parties to the Convention on the Protection and Use of Transboundary Watercourses and International Lakes

Fifth session, 10-12 November 2009  
Geneva, Switzerland

**The Nairobi Work Programme on Impacts, Vulnerability and Adaptation to Climate Change (NWP)**  
*Understanding Vulnerability, Forecasting Adaptation*

**Xianfu Lu**

Adaptation, Technology and Science Programme (ATS)  
UNFCCC Secretariat

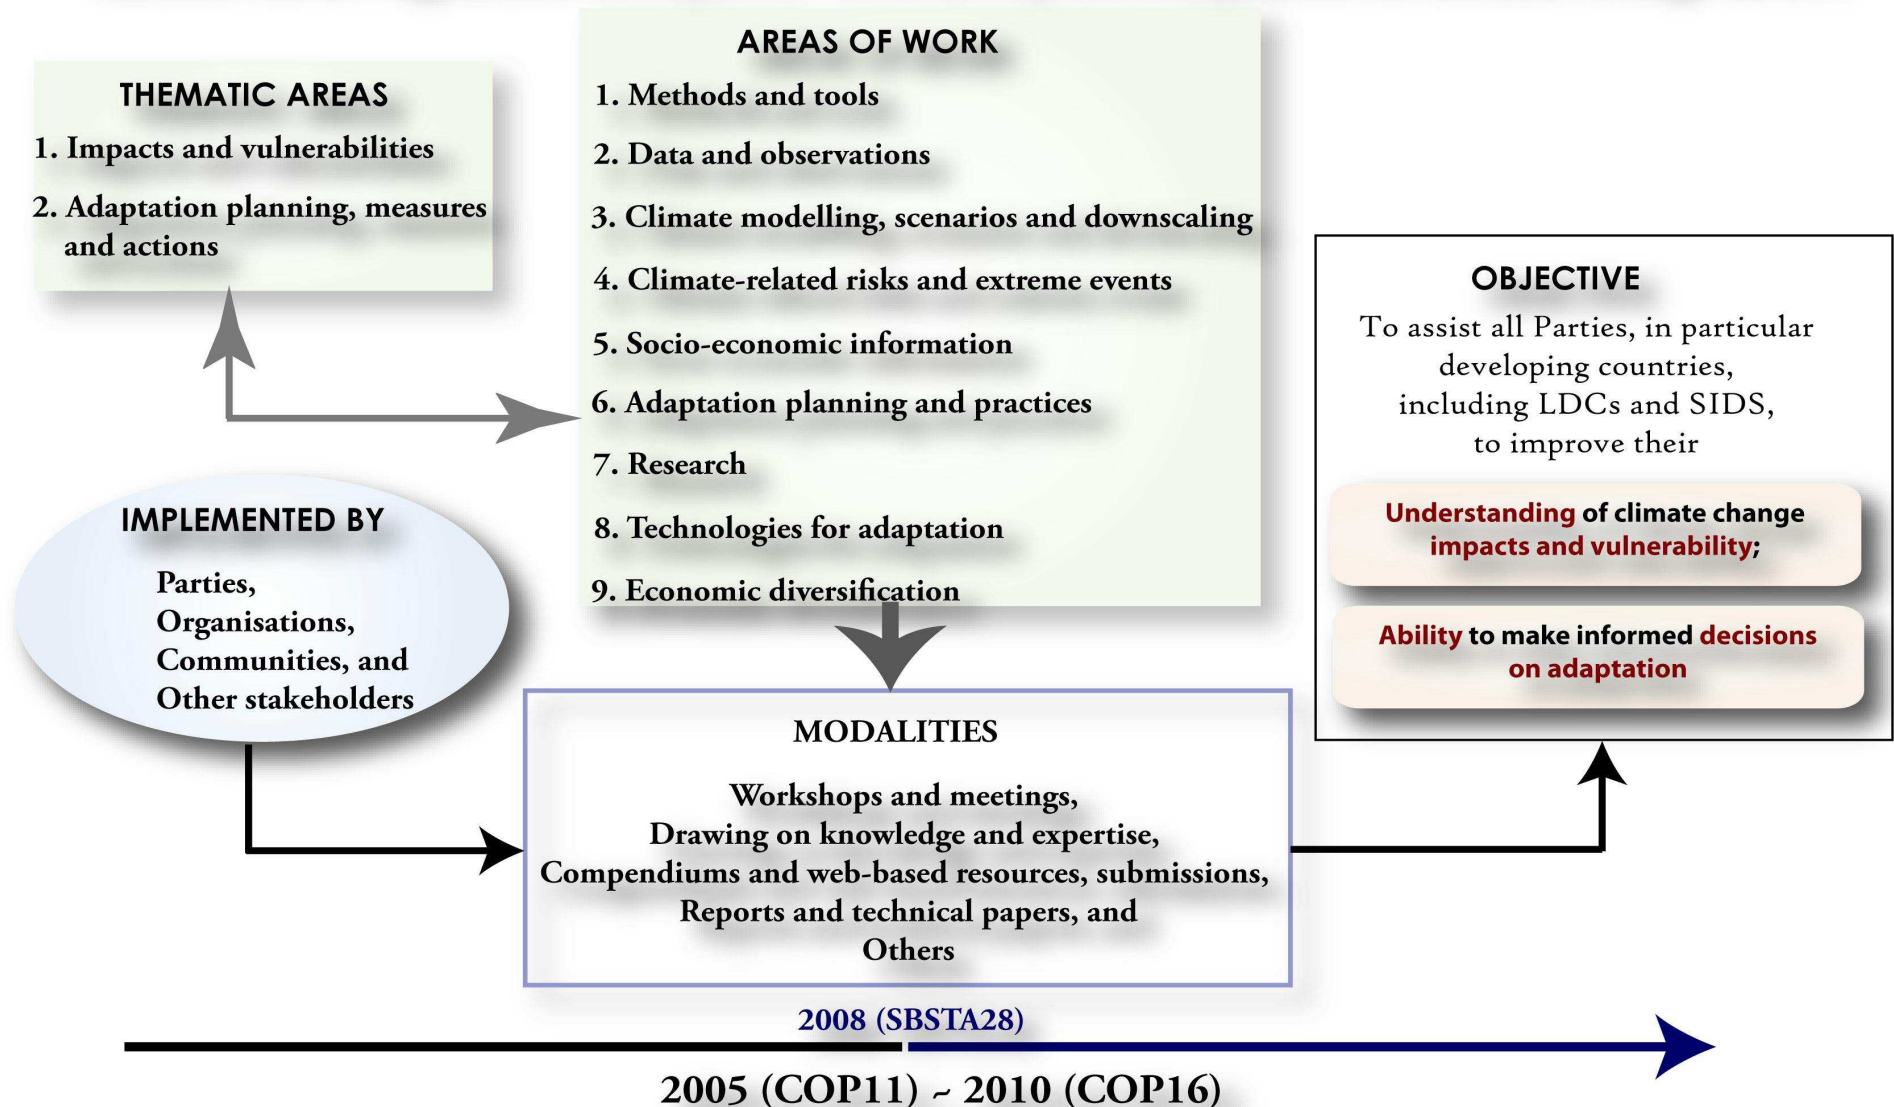

In the next **5 minutes...**

- **What is the “Nairobi work programme”?**
- **Why should the “Water Convention” community know about it?**

# An overview of the NWP...

## Nairobi Work Programme on Impacts, Vulnerability and Adaptation to Climate Change (NWP)

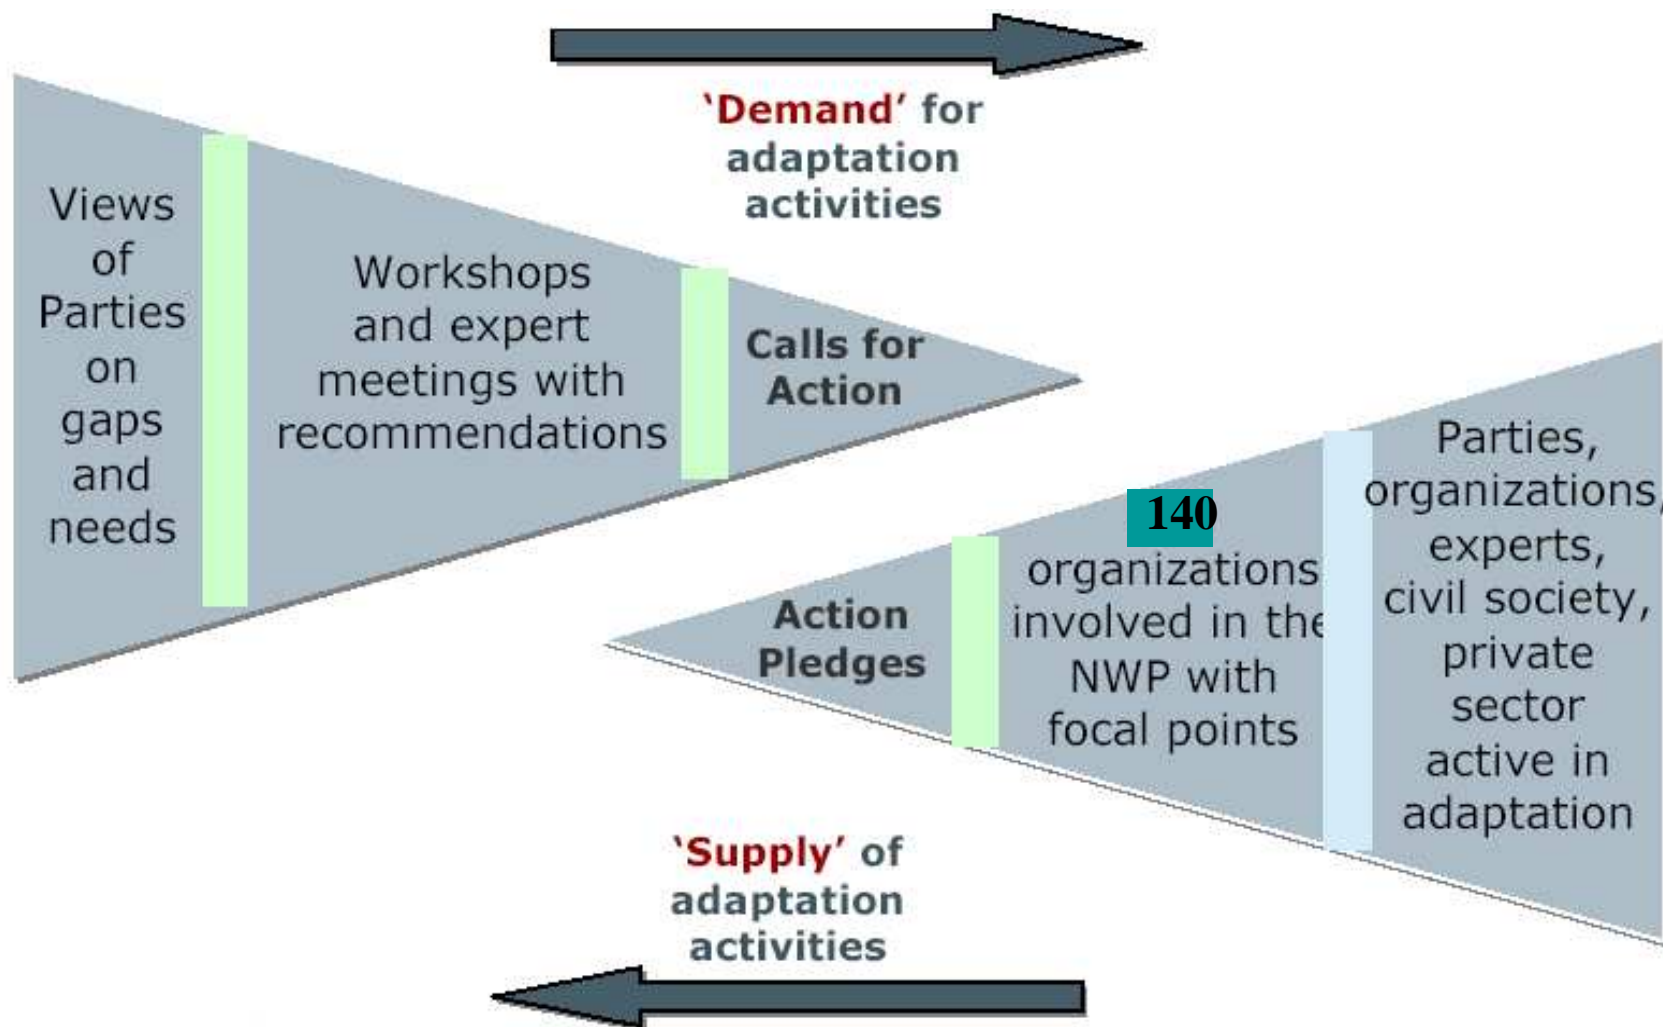

# Key **functions** of the NWP...

- Engaging and motivating **stakeholders**;
- Facilitating **knowledge sharing and learning**;
- Catalyzing adaptation **actions**

# Modalities of implementing the NWP...

# Progress to date...

- **141 partner organizations;**
- **A large number of knowledge sharing events and activities;**
- **9 Calls for Action;**
- **90 Actions Pledges from 39 partner organizations;**
- **A diverse range of knowledge products**

# Moving forward...

- **Scaling-up** ongoing actions;
- Enhanced **knowledge sharing and learning**;
- **Collaboration**;
- ...

# The “**Water Convention**” community could...

## Contribute to

- The development, dissemination and application of practical methods and tools (including guidance);
- The scaling up of targeted, on-the-ground actions; and
- The global pool of information, knowledge and good practices

## Benefit from

- The possibility of better aligning activities with the priority needs;
- Enhanced knowledge sharing and mutual learning; and
- The opportunities of collaboration

**So... Please do join the NWP community!**

**Together, we are stronger!**

*(<http://www.unfccc.int/nwp>)*

# Thank you

**Xianfu Lu**
