PROIECTUL

DOING BUSINESS
MEASURING BUSINESS REGULATIONS

Proiectul Doing Business este un studiu elaborat anual, începînd cu anul 2003, de către Banca Mondială. Scopul acestui studiu este compararea cadrului de reglementare a afacerilor din diferite țări. În raportul pentru anul 2015, fiecare țară a fost analizată după 11 criterii de performanță, printre acestea: inițierea afacerii, obținerea autorizației de construcție, înregistrarea proprietății, obținerea creditelor și altele.

Scopul proiectului este de a stabili o fundamentare obiectivă pentru înțelegerea și perfecționarea sistemului legislative privind reglarea activităților de întreprinzător în lumea întreagă. Informația despre aceste reglări legislative este pusă în rapoartele naționale.

Ultimul raport arată că Republica Moldova se clasează pe locul 175, în clasamentul „Elibirarea autorizația de construire din 189 de țări, ceea ce este un regres de 5 poziții față de anul precedent.
