

# **Strategy for Society Ageing Preparation**

**2018 - 2022**

**Kateřina Kňapová, Ministry of Labour and Social Affairs,  
Czech Republic**

# Introduction

- Work in progress, hopefully it will be approved this year
- Previously: National Action Plan for Positive Ageing for the Period 2013 – 2017
- -> main aim was to make the document more simple and structured, focused on major issues of ageing policy regarding participation of older persons in society

## Structure of the document

- Introduction
- Evaluation of the previous action plan
- Implementation process
- Socio-economic and demographic analysis
- Vision and goals of the ageing policy
- 10 points for Society Ageing Preparation

## Main Objectives of the Strategy

*„Vision, that we aim to fulfill, now and in the future, is an active and healthy older person, and public administration that will enable them to live life in a way they want to live it.“*

### **Objectives:**

- 1) To ensure capacities of public administration and municipalities to deal with population ageing in their policies and in personnel.
- 2) To ensure ageing in dignity for all members of the society, regarding their financial independence, human rights and tackling discrimination based on age. Part of ageing with dignity is also support of lifelong learning, affordable care, infrastructure, employment, housing and community activities.
- 3) To ensure financial sustainability of ageing policies
- 4) To ensure that ageing is understood as an opportunity for further development of the society

# 10 points for Society Ageing Preparation

- 1) Preparation for ageing in the Czech Republic
- 2) Dignified financial assurance of older persons
