

UNECE Workshop on international migration statistics for countries of CIS and South Eastern Europe.

Organised in collaboration with Eurostat, UNFPA and GROS.

Edinburgh, 23-24 November 2006

PROVISIONAL AGENDA AND TENTATIVE TIMETABLE

Workshop hosted by the General Register Office of Scotland

To be held at the Roxburghe Hotel, Edinburgh, United Kingdom
opening on Thursday, 23 November 2006 at 9:30 a.m.

Objectives of the workshop:

- **To assist countries in identifying strategies to maximize the use of population based data collections (population censuses and household surveys) to produce good quality data on international migration**
- **To discuss methods to assess and improve the quality of administrative data on international migration**
- **To identify concrete and country specific solutions to existing data gaps**

Time	THURSDAY, 23 NOVEMBER 2006
