

Agency on statistics under the President of the Republic of Tajikistan

UNSD-DFID Project Tajikistan

Davlatzoda Qiyomiddin
Deputy Director

Outline:

- **SDG in Tajikistan**
- **UNSD – DFID Project**
- **UNSD expert mission and its results**
- **Road Map**
- **Way forward**

SDG in Tajikistan

- **The United Nations'2030 Development Agenda is integrated the Tajikistan's National Strategy for Development and Medium -term Development Program until 2020**
- **VNR – Voluntary National Review of Tajikistan - 2017**
- **Statistical Agency is a member of IAEG – SDG**
- **Created internal working group in Statistical Agency for SDG indicators**

UNSD – DFID PROJECT

- Funded by DFID, implemented by UNSD
- Signed December 2016, runs through June 2021
- 20 countries across Africa and Asia (including **Tajikistan**)
- **PURPOSE** - making SDG indicators available to the broadest possible audience, and to strengthen the capacity of partner countries in the compilation and use of these indicators.

UNSD expert mission and its results

- Mission was 18 – 22 September 2017 (Mr. Abdulla Gozalov and Mr. Vladimir Markhonko)
- Meetings were held with the representatives of the following ministries:
 - Ministry of Agriculture
 - Ministry of Economic Development and Trade
 - Ministry of Education and Science
 - Ministry of Energy and Water Resources
 - Ministry of Energy and Industry
 - Ministry of Health and Social protection
 - State Committee on Investments and State Property Management of the Republic of Tajikistan

UNSD expert mission and its results

- Availability and feasibility of 153 global SDG indicators applicable in Tajikistan
- Current statistical capacity is equal to 87 global indicators or 43% of the assessed global applicable indicators
- The statistical data sources are playing the leading role in the compilation of 40% of the indicators assessed as currently available or easily feasible

Road Map

- Done by financial support of UNDP Tajikistan
- Working group for it
- The purpose is a development of National Statistical System for the period 2018 – 2020 regarding SDG indicators
- Created an Action Plan

Way Forward

- ❑ Production of **disaggregated statistics** by age, sex, disability, income group, migration and sub-national level
- ❑ Conducting a large number of **new surveys**
- ❑ **Developing partnership** with other national and international organizations (**Custodian agencies**)
- ❑ Integration of SDG into the national statistical plan ‘National Strategy for the Development of Statistics (**NSDS 2018-2022**)’
- ❑ Enhancing **capacity** of National Statistical Office
- ❑ Adding “**SDG indicators**” column in **website** of Statistical Agency

THANK YOU FOR ATTENTION!
