Элементы Дорожной карты

СОЗДАНИЕ НАЦИОНАЛЬНЫХ МЕХАНИЗМОВ СОТРУДНИЧЕСТВА – Дорожная карта

1. Представление данных по ЦУР – **Статистическое приложение (VNR 2018)**
2. Активное участие в Межведомственной технической рабочей группе
3. Создание внутренней рабочей группы, а затем отдела по ЦУР
4. Постоянные встречи с отраслевыми министерствами, заинтересованными сторонами и другими участниками
5. Повышение информированности о роли НСО в процессе с Парламентом и гражданском обществе

Создание внутренней рабочей группы

- Назначение ответственного лица за каждую ЦУР
- Составление карты – Страновой базовый доклад – утвержден в 2018 году
- Составление структуры статистических показателей (в рамках ЦУР)
- Оценка пробелов в данных и потребностей страны для представления данных по ЦУР
- План действий по статистическим показателям
 - Укрепление потенциала
 - Инфраструктура и существующие методологии
 - Средства
- ТС : план обучения со специальным модулем по ЦУР

Внешняя рабочая группа с ПРООН

- Составление структуры всех показателей – Базовый доклад в январе 2018 г.;
- Миссия MAPS – апрель 2018 г.
- КАРТА по статистическим показателям – отдел ЦУР в конце 2018 г.
- Публикация статистических показателей ЦУР
- Создание информационной панели

Дорожная карта ЕЭК ООН

- Исходя из Дорожной карты ЕЭК ООН нет четкого вывода относительно использования ГИС
- Информационное взаимодействие является очень важным для различных конечных пользователей
- Есть примеры того, как следовать оптимистическим сценариям развития ситуации
- В этих рамках нами были следующие шаги

РАСПРОСТРАНЕНИЕ ЦУР

3 GOOD HEALTH AND WELL-BEING

SDG 3 seeks to ensure healthy lives and promote well-being for all at all ages by improving reproductive, maternal and child health ending the epidemics of major communicable diseases, strengthen the prevention of substance abuse, reduce death injuries from the road traffic accidents. Intends to ensure access to health-care services, integration of reproductive health into national strategies and programmes, ensure health coverage, access to essential medicines and vaccines for all. In addition, SDG 3 calls for substantial decrease of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination and it seeks to support the innovation for development of vaccines and medicines to prevent peoples from diseases mainly in developing countries and increase health financing and strengthen the capacity of all countries for the management of national and global health risks.

Indicators measuring SDG 3 progress, short-term trends

1 Births (last available data in 2017)

Births attended by skilled health personnel
99.2% (last available data)
 +0.2 pp compared to 2016

Neonatal mortality rate
6.28 (last available data)
 -0.62 pp compared to 2016

3 **Good Health and Well-being**
 Ensure healthy lives and promote well-being for all at all ages
 The health of the population and living conditions are the key to achieving the Sustainable Development Goals. Good health and well-being are essential for economic growth and social development. It is a key to ending poverty and reducing inequality.

UN SDG Target 3.2

By 2030, end premature deaths of road traffic victims and reduce road deaths by halving the global road deaths and road injuries rate per 100,000 road users.

Indicator 3.2.1 Under-five mortality rate

Under-five mortality rate is the probability of a child dying before reaching the age of five, based on all causes, expressed per 1,000 live births.

Designated to use UN SDG by default. Report on the progress of the Sustainable Development Goals. Source: UN Population Division, UNICEF.

Визуализация геопространственных данных INSTAT

Цель 8. Содействие поступательному, всеохватному и устойчивому экономическому росту, полной и производительной занятости и достойной работе для всех

8.5.2 Уровень безработицы в разбивке по полу, возрасту и наличию инвалидности

[Уровень безработицы среди мужчин](#)

[Уровень безработицы среди женщин](#)

Цель 1: Повсеместная ликвидация нищеты во всех ее формах

1.2.1 Доля населения страны, живущего за официальной чертой бедности, в разбивке по полу и возрасту

[Доля бедного населения](#)

SDGs - No poverty - By 2030, eradicate extreme poverty - Poverty headcount ratio at \$5.50 a day

1. No poverty
Eradicate poverty in all its forms everywhere

By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day

Extreme poverty, defined as living on less than \$1.25 a day, is a cruel and degrading condition. It is a cruel and degrading condition because it is a condition that is not only a source of suffering and despair, but also a barrier to development. It is a condition that is not only a source of suffering and despair, but also a barrier to development. It is a condition that is not only a source of suffering and despair, but also a barrier to development.
