

UN Development Account Programme on Statistics and Data – 10th tranche

Tiina Luige, UNECE Statistical Division

STATISTICS

UNDA 10th tranche

STATISTICS

Objective:

To strengthen the statistical capacity of developing countries to measure, monitor and report on the SDGs in an accurate, reliable and timely manner for evidence-based policymaking

Principles:

- Adapt to the needs of the countries and the evolving agenda
- Build on comparative advantages of and close cooperation between the Development Account implementing entities
- Build on existing initiatives and programmes (coordination)
- Encourage external participation and funding (partnership)

UNDA 10th tranche
