Preparatory work for the population census

Census website has been designed and posted at: aholi.stat.uz
The website is in test mode.

Logo

Motto

A competition has been organized to develop the census logo and motto.
The winners were awarded valuable prizes.

The TERMS OF REFERNCE (ToRs) have been approved together with the State Geodezcadastre of the Republic of Uzbekistan to draw map for conducting the 2022 census in the Republic of Uzbekistan.

Maps of all 203 districts of the country have been prepared and over 15 thousand schematic maps of settlements have been collected. Currently, work is underway to align maps with the ToRs and to improve mapping quality.
Census conducting methods in the Republic of Uzbekistan

**FIRST METHOD**

**PAPER**
(Main method)

Census questionnaires are completed through a field survey.

**SECOND METHOD**

**ONLINE**

Anyone can fill out online questionnaires at the official website of the Committee: aholi.stat.uz
