 - Motivation and Support
-
- All Available from the UNECE HLG-MOS wikis

ModernStats World

Projects

- What/how/when
 - Too big for modernisation groups
 - Cross-group/multi-disciplinary topics
- Lead by Project manager
- Members: open to staff of any statistical organisation
- Coordination:
 - Cross membership work other related groups (ESSnet, Modernisation Groups etc.)
 - Report to Executive Board

Modernisation Groups & Network

- Members: staff NSOs & IOs (*academia and others*)
 - Cross membership with other similar groups
 - Lead by Chair, secretariat support UNECE
 - Task Teams for various activities
 - Monthly or more frequent virtual meetings
 - Sprint workshops and Surveys if needed
 - Workshops (HRMT, CSPA, Standards, ModernStats)
 - Wiki (restricted) to support activities
-
- Topics can only be executed if expertise is present

Workshops

- Thematic/Specialists Workshops
 - Focus on Innovation
 - Future work
 - Common platform/Sharing
- Modernisation Workshops
 - Training, presenting and communicating work
 - Development of (ongoing) work
 - User platform to share experiences
- Steering/Organisation Committees
 - Members personal title NSOs, IOs, academia
 - Secretariat/coordination by UNECE

Sprint Workshops/Sessions

- What: intensive workshop of experts to define/conceptualize work, find solutions and/or produce tangible output
 - Different formats: explorative, acceleration, concentrate
 - set clear goals, split work, document well
- When: fast progress or creativity/innovation needed
- Why: no distraction, intensive/creative process → sum bigger than the parts
- Who: mixture of experts, facilitator, drivers, substantive experts, out-of-the-box thinkers/outside view

Webex

- Virtual conferences
- 150+ per year, 2 accounts
- Sharing screens/programs, chat function, who talks, presenting etc.
- Connect by computer, tablet, smartphone, phone

 - Sprint sessions, during workshops etc.
- Administration, instructions, tips etc.

HLG-MOS Informative Wikis

The screenshot shows the 'High-Level Group for the Modernisation of Official Statistics' dashboard. It features a sidebar with a 'PAGE TREE' listing various topics like 'What is the HLG-MOS?', 'HLG-MOS Strategy', and 'Modernisation Projects'. The main content area includes a 'Dashboard' with a '70,875 view(s)' count, a 'modernstats' logo, and a 'Public web space of the UNECE High Level Group for the Modernisation of Official Statistics (HLG-MOS)' description. A central diagram illustrates key themes: 'Agile and adaptive culture', 'Active engagement', 'Service orientation', 'Trusted data authority', 'Developing innovative solutions', 'Leadership and collaboration', 'Common platforms for capacity', and 'Flexibility and results orientation'. Below this, there's a 'Blog stream' section for sharing news and announcements, and a 'Recent highlights and updates' section.

This screenshot displays the 'Statistical Data Editing' page. The sidebar shows a 'PAGE TREE' with 'GSDEMs' and 'Workshops'. The main content area has a 'Dashboard' with '387 view(s)' and a 'Good practices in statistical data editing' section. This section includes a description of the page's purpose for sharing knowledge and resources, and a 'Workshops' section listing 'Information and documents of UNECE Workshops on Statistical Data Editing'. There's also a 'Publications' section and a 'News' section mentioning the '2018 Workshop on the Statistical Data Editing' held in Neuchâtel, Switzerland, from 18-20 September.

This block contains two main sections. The top section is the 'Knowledge Base (Virtual Standards Helpdesk)', which includes a search bar and a list of topics: 'What are statistical organisations investing in?', 'Capability Catalogue', 'CSPA Service Catalogue', and 'Technical Repository'. The bottom section is the 'Investment Catalogue', which features a search bar and a list of topics: 'What are statistical organisations investing in?', 'Capability Catalogue', 'CSPA Service Catalogue', and 'Technical Repository'.

The screenshot shows the 'Virtual Standards Helpdesk' page. It features a 'Welcome to the UNECE Virtual Standards Helpdesk' message and a 'modernstats' logo. The main content area includes a 'Knowledge Base' section with a search bar and a list of topics: 'What are statistical organisations investing in?', 'Capability Catalogue', 'CSPA Service Catalogue', and 'Technical Repository'. There's also a 'News' section and a 'Workshops' section.
