

Turning to e-learning

HOW STATISTICS NORWAY STARTED USING E-LEARNING EXTENSIVELY, INCLUDING FOR THE
INCEPTION OF NEW STAFF MEMBERS

*By Dag Roll-Hansen (dag.roll-hansen@ssb.no), Division for Human Resources
in Statistics Norway*

Statistisk sentralbyrå
Statistics Norway

Agenda

E-learning in Statistics Norway before and during the pandemic

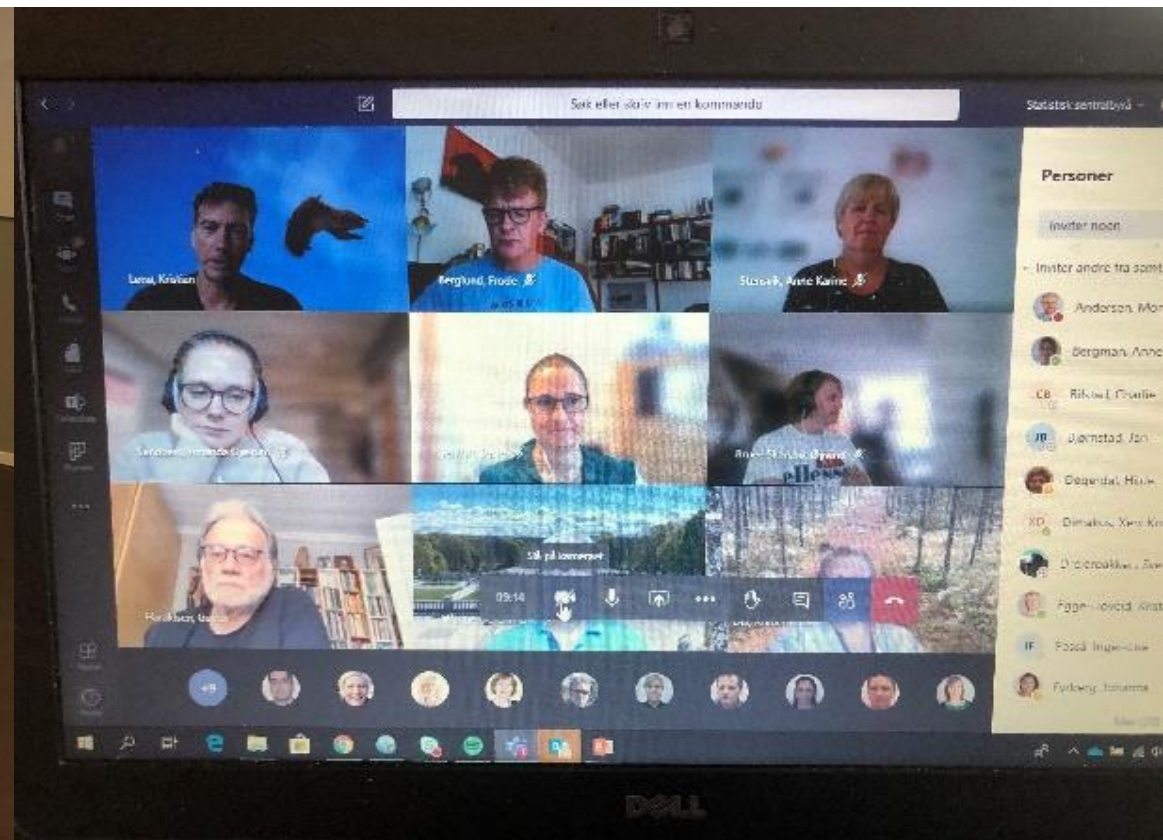

Linking up staff – online on-the-job training

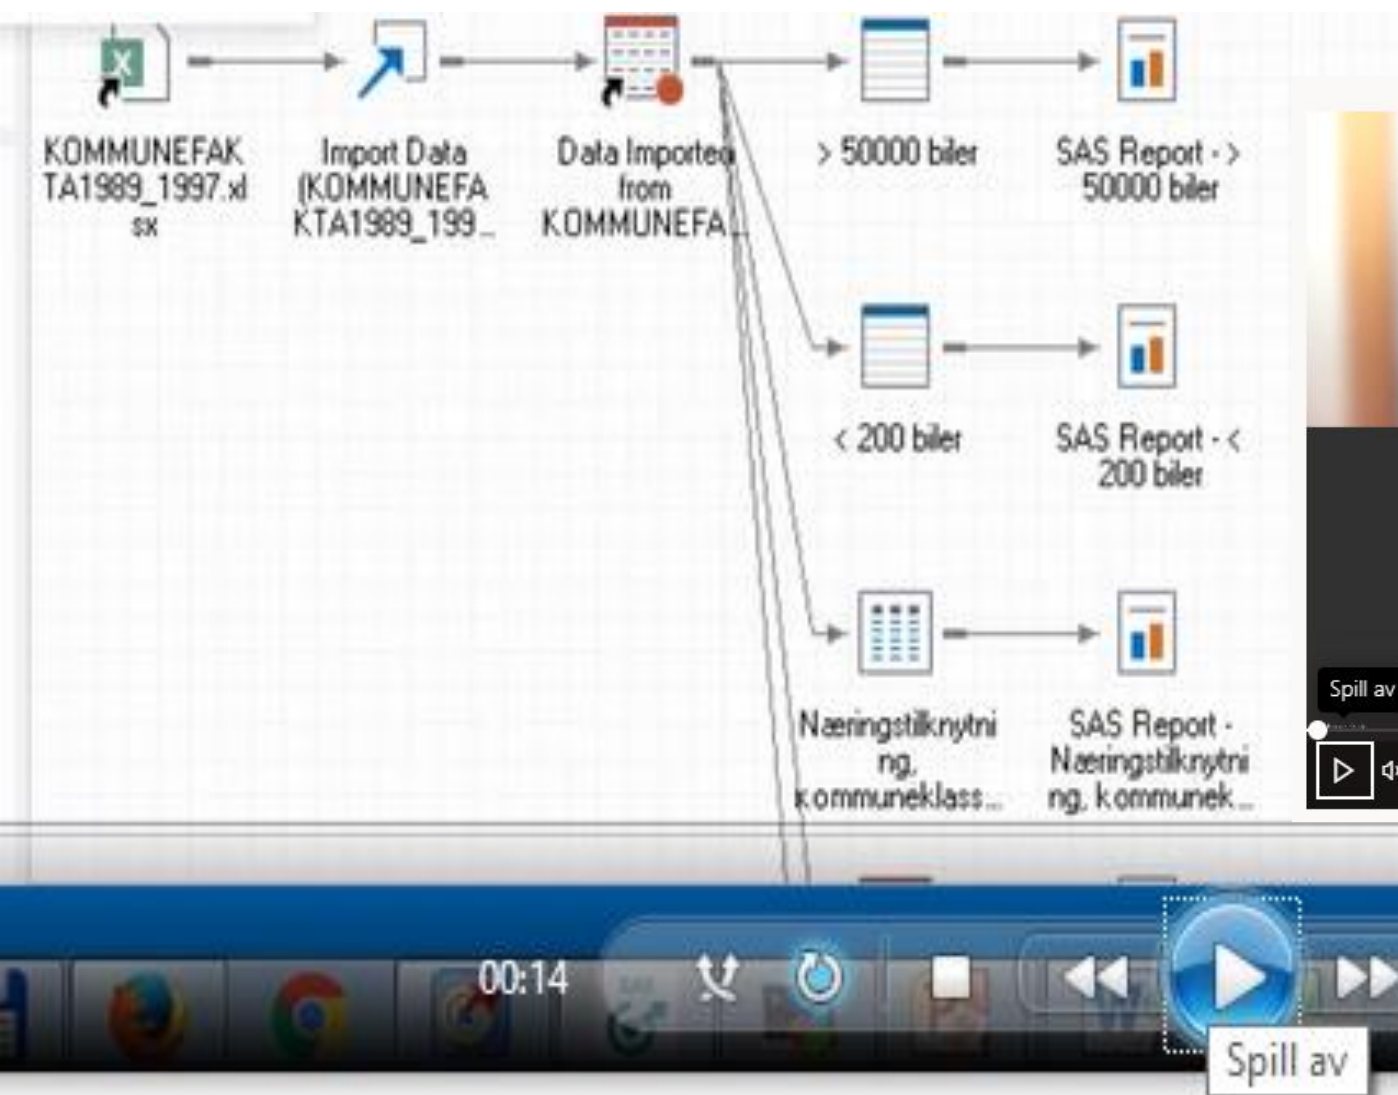

New ways to meet – new ways to get to know each other

Final remark

E-learning in Statistics Norway before and during the pandemic

Linking up staff – online on-the-job training

- Maintain learning from daily interaction with colleagues
- Maintain cohesion and commitment

New ways to meet – new ways to get to know each other

Thanks for your attention!
