Topic 3

Implementation of the recently revised recommendations on statistics of international migration

Supporting paper Prepared by Lucy Vickers (UK member of the Task Force)

^{*} The documentation for this work session will be processed as for seminars.

The following table will help to the implementation of the recently revised recommendations on statistics of international migration

FLOW OR MIGRATION DATA

For each of the following cells please give the potential data source in your country (e.g. population register, census, foreign register, survey...) and the body responsible for the data collection (Ministry of Interior, Justice, Education...).

Note if the time constraint is respected as described in box 1 on page 10 (3 months or 1 year)

Check if the whole population is concerned and specify all sub-population that are not included

Give an indication on the reliability of the data collection (e.g. good = more than 90%, medium from 50 to 90% or low below 50%)
