# Meeting January 2010

- Second meeting of new team
- Hosted by EU JRC at Ispra
- Focus on State of Europe's Forests
- Links between national and international reporting
- One in depth topic – forest health

Joint Working Party on Forest Economics and Statistics,  
Geneva, 24-25 March 2010

# Outputs 2009-2010

- Team members as FRA National Correspondents – national reports
- Improve harmonisation FRA/SoEF
- Agreement on new European Forest Types for SoEF reporting

Joint Working Party on Forest Economics and Statistics,  
Geneva, 24-25 March 2010

# Expected outputs

- Team members as National Correspondents – national reports for SoEF
- Pilot SoEF reporting on new European Forest Types
- To assist with drafting SoEF 2011

# Issues

- Balance in meetings between SoEF and other discussions
- Links between national and international reporting – possible topic for workshop

Joint Working Party on Forest Economics and Statistics,  
Geneva, 24-25 March 2010

# The Working Party is invited:

- *to support other approaches (e.g. a separate workshop) to address social and economic indicators;*
- *to note that there is likely to be little progress on improving capacities of countries weak in reporting without additional resources;*
- *to note the ToS has little ability to address reporting on policies and institutions, so other approaches are required;*

# Thank you
