

A scenic landscape of a mountain valley. The foreground is filled with lush green trees and foliage. In the middle ground, a valley is visible, surrounded by rolling hills and mountains. The sky is a mix of soft, golden light from the setting or rising sun, with scattered clouds. The overall atmosphere is peaceful and natural.

Asia-Pacific Forestry Week

Forests for peace and well-being

Asia Pacific Forestry Week

Asia-Pacific Forestry Week 2019
Forests for Peace and Well-being
17-21 June 2019 | Incheon, Republic of Korea

One of the largest and most important forestry gatherings in the Asia-Pacific region in 2019

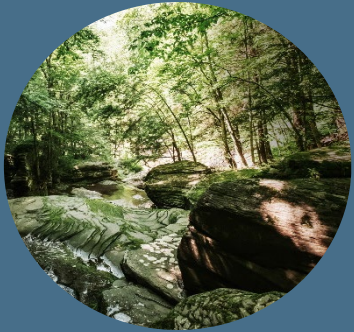

Supported by various partners and collaborators including governments, NGOs, researchers, academia, and the private sector

Expecting 900 participants

Provide a venue for a multitude of forestry practitioners across the region to discuss and share views on the most pressing challenges in the forestry sector

Stream 1

Restoring our
forests and
landscapes

Stream 2

People and forests
living in harmony

Stream 3

Building a resilient
environment

Stream 4

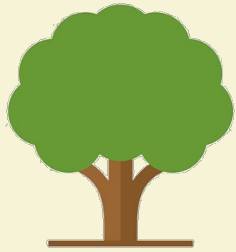

Promoting
responsible trade
and markets

Stream 5

Innovating
governance and
institutions
