

Wood is good!

3 little pigs and climate change

The Vancouver Invitation on Sustainable Forest Products for a Better Future

FORESTS

UNECE/FAO Forest Communicators' Network – Annual Meeting

20-22 May 2019, Oslo

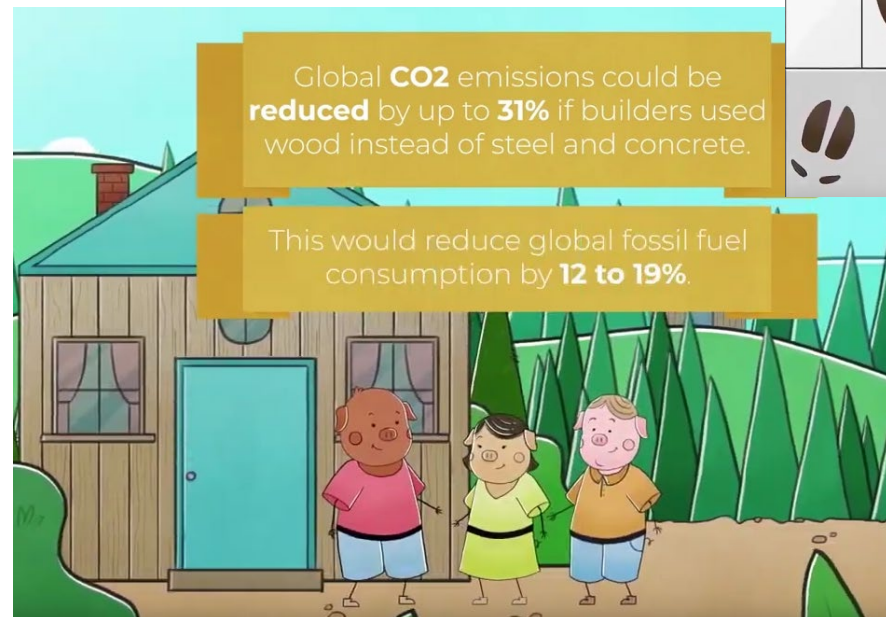

3 little pigs and Climate Change – the benefits of wood as construction material

FORESTS

- Launch of the video at the 24th Conference of the Parties to the UN Framework Convention on Climate Change (COP24) in Katowice, December 2018
- Raising awareness of the role that wood can play in cutting down emissions when replacing more carbon-intensive materials in the construction
- In cooperation with State Forests Poland
- <https://youtu.be/66jVm1f5KJI>

Vancouver Invitation on Sustainable Forest Products for a Better Future

FORESTS

- Recognizing and promoting the value of sustainably produced wood and wood-based products as environmentally friendly materials with which to build the future

Thank you!

Theresa Loeffler
UNECE/FAO Forestry and Timber Section
20-22 May 2019, Oslo
