ADVISORY COMMITTEE
ON SUSTAINABLE
FOREST-BASED
INDUSTRIES (ACSFI)

A vital industry

What role could the forest sector could play in the post COVID-19 recovery process?

Where does the industry fit into assisting with the recovery process?

How can the private sector and international organizations effectively work together and the challenges to deliver upon?

Responses and actions in Sweden

Food and Agriculture
Organization of the
United Nations

ADVISORY COMMITTEE
ON SUSTAINABLE
FOREST-BASED
INDUSTRIES (ACSFII)

**Keep the forest
sector industry
open**

**Deliver products
locally, regionally
and
internationally**

**Promotion of global
trade**

**Ensure sustainable and
environmentally
friendly products**

**Raising awareness
among general public**

**Grow the demand across
the value chain**

**Substitution of high
fossil fuel-based
products**

**Contribution to
climate change
mitigation**

**Keep the climate
ambitions high**

ADVISORY COMMITTEE
ON SUSTAINABLE
FOREST-BASED
INDUSTRIES (ACSFI)

The sector's diversity is a strength
Building Back Better requires cooperation
A consistent global narrative is needed
