Sixty-fourth session

Geneva, 18 -21 April 2016

Item 3 (l) of the provisional agenda

Revision of UNECE standards

Glossary of Terms used in UNECE Standards

Comments by the delegation of Spain

Spain would like to add the following definition of mini products to the Glossary of terms used in UNECE standards on fresh fruit and vegetables:

II. Terms and definition

3.5. Mini products: Miniature product means a variety or cultivar of vegetable, obtained by plant breeding and/or special cultivation techniques, excluding specimens of non-miniature varieties which have not fully developed or are of inadequate size. All other requirements of the standard must be met.
