### **Survey of national certification schemes for seed potatoes**

At the Meeting of Bureau and Rapporteurs in Kimberly, South Africa in March 2016, it was suggested to compile an updated overview of the national certification schemes.

The Specialized Section is invited to review and comment on the proposed draft Survey of national certification schemes for seed potatoes (of 14 June 2016) and the Overview of the seed potato certification systems of the EU Member States (2016) to be used for the UNECE overview of national certification schemes.

Due to its size the Survey of national certification schemes for seed potatoes and the Overview of the seed potato certification systems of the EU Member States have been uploaded on the session's web page (<http://www.unece.org/index.php?id=41414#/>) as informal documents INF.1 and INF.2.
