

Multilateral Agreement M285

Under section 1.5.1 of ADR
concerning the carriage of equipment containing lithium cells and batteries

- (1) By derogation from the provisions of the last sentence in paragraph 3 of packing instruction P909 in sub-section 4.1.4.1, equipment that contains lithium cells and batteries assigned to UN numbers 3090, 3091, 3480 or 3481 and is carried for disposal or recycling may, irrespective of its size, be offered for carriage unpackaged or on pallets when the cells or batteries are afforded equivalent protection by the equipment in which they are contained.
- (2) This Agreement shall be valid until 31 December 2016 for carriage on the territories of those ADR Contracting Parties signatory to this Agreement. If it is revoked before that date by one of the signatories, it shall remain valid until the above mentioned date only for carriage on the territories of those ADR Contracting Parties signatory to this Agreement which have not revoked it.
