

Terms of reference for the safety advisor working group

1. Examination of the documents submitted to the Joint Meeting or the working group
2. Evaluation of the adequacy of the basic requirements and conditions for obtaining the initial and renewed certificate.
3. Drafting proposals setting out minimum requirements for the approval of training and/or examination in the light of the evaluation under item 2.
4. Proposal for short term solutions regarding renewal of certificate in the member states.
5. Exchange of experience on applying the requirements in 1.8.3 and evaluation of any matters arising.

Ground rules for the work of the working group:

- The basis of discussion is the existing duties of the safety advisor as set out in 1.8.3.3.
- The aim is to ensure a harmonized qualification for the safety advisors.
