Sub-Committee of Experts on the
Transport of Dangerous Goods

Thirty-second session
Geneva, 3-7 December 2007
Item 6 of the provisional agenda

**MISCELLANEOUS PROPOSALS OF AMENDMENTS
TO THE MODEL REGULATIONS**

References to ISO standards in the Model Regulations.
Addendum to ST/SG/AC.10/C.3/2007/35

Transmitted by the expert from the United Kingdom

1. The expert from the United Kingdom refers to his working paper ST/SG/AC.10/C.3/2007/35 which deals with changes to ISO standards in the Model Regulations.
2. On page 2 of his working paper he refers to paragraph 4.1.6.1.8 of the Model Regulations where he notes that ISO 10297:1999 should be replaced by ISO 10297:2006
3. The expert from the United Kingdom has been informed that the reference to Annex B in that paragraph should be changed Annex A. This is because the old Annex A has been deleted from the standard so the content of the former Annex B is now Annex A.

Thus the final part of the last sentence of 4.1.6.1.8 should read;

"the requirements of annex A of ISO 10297:2006 shall be met".
