Sub-Committee of Experts on the
Transport of Dangerous Goods

Thirty-second session
Geneva, 3-7 December 2007

Item 11 of the provisional agenda

OTHER BUSINESS

Biennial evaluation for 2008-2009

Note by the Secretariat

In relation with UN/SCETDG/32/INF.44, the secretariat has prepared a draft proposal for “Expected accomplishments and performance indicators”, as reproduced below, for consideration by the Sub-Committee.

Expected accomplishment

Development and review of recommendations, drafted in the form of Model Regulations, on the transport of dangerous goods in the light of technical progress, the advent of new substances and materials, the exigencies of modern transport systems and, above all, the requirement to ensure the safety and security of people, property and the environment. These recommendations shall represent a basic scheme of provisions to allow uniform development of national and international regulations governing the various modes of transport.

Performance indicators

1. Number of international legal instruments amended to reflect the 2007 UN Recommendations on the Transport of Dangerous Goods, Model Regulations (15th revised edition);
2. Number of governments having implemented the 2007 UN Recommendations on the Transport of Dangerous Goods, Model Regulations (15th revised edition) through national law for regulating domestic traffic;
3. Amendments to 15th revised edition of the Model Regulations and 4th revised edition of the Manual of Tests and Criteria adopted in 2008 and reflected in 16th revised edition of the Model Regulations and 5th revised edition of the Manual of Tests and Criteria before end 2009.
