

Schedule of making M/C Tell-Tale + Control gtr (2010)

New
schedule

Officially, one week is enough for submitting an Informal doc. to 99/GRSG. However, this proposal is a complete new gtr document so it is very likely that members will have a "Reservation" (meaning delay) Therefore, the document should be submitted to GRSG **at least one month before the meeting** so that all members can study. The Informal Group will report at the GRSG meeting so that the result can immediately be confirmed at the GRSG
