Item 5 (b) of the provisional agenda

Proposals of amendments to ATP: New proposals

References to standards**Note by the secretariat**

According to information received from the German Institute for Standardization (DIN), the DIN standards referred to in Annex 1, Appendix 2, 4.3.4 (ii) are not the latest.

DIN 24163 has been withdrawn and replaced by EN ISO 5801. ISO 5801 is already mentioned in ATP.

DIN 4796 was withdrawn in 1997.

At the last session of WP.11, it was proposed "that a formal mechanism be found for updating and adding references to standards in the ATP".

WP.11 may wish to discuss this issue.
