

**Position of GRE on ECE/TRANS/WP.29/GRSG/2010/20 -
Proposal for amendments to Regulation No. 121
(Identification of controls, tell-tales and indicators)**

Following the request from the Working Party on General Safety (GRSG) (ECE/TRANS/WP.29/GRSG/79, para. 31), GRE proposed to delete items 45 and 47 from ECE/TRANS/WP.29/GRSG/2010/20. Furthermore, it was proposed to use in item 46 "Automatic main-beam switching" instead of "Automatic upper beam switching". The secretariat was requested to inform GRSG about this GRE position.
