Working Party on Transport Statistics

Sixty-second session

Geneva, 6–8 July 2011

Item 4 (a) of the provisional agenda

Traffic censuses in the United Nations Economic Commission for Europe region

2010 E-Road traffic census

Prepared by the secretariat

1. During its seventy-first session, the Inland Transport Committee adopted:
Resolution No. 259: E-Road Traffic Census of Motor Traffic and Inventory of Standards and Parameters on Main International Traffic Arteries in Europe in 2010 (“2010 E-Road Traffic Census”); and
 2. This resolution requested Government to inform the Executive Secretary of the United Nations Economic Commission for Europe (UNECE) by **30 September 2009** whether they agree to implement the provisions of the resolution.
 3. Circular letters were sent to all Ministries of Foreign Affairs and reminder was sent to the delegates to the UNECE Working Party on Transport Statistics.
 4. The secretariat received information from the following countries on their intention to implement the resolution on:
2010 E-Road Traffic Census: Belarus, Bosnia and Herzegovina, Croatia, Czech Republic, Denmark, Estonia, Finland, Luxembourg, Poland, Serbia, Slovak Republic, Slovenia, Switzerland and Turkey;
 5. During its seventy-second session, the Inland Transport Committee **invited** UNECE member States who had not yet informed the secretariat about their intention to take part in the 2010 E-Road traffic census complying with Committee Resolutions No. 259 to do so as soon as possible, and **urged** all UNECE member States to submit the required traffic data by **1 November 2011**.
