

## **Draft proposal for Corrigendum 1 to Revision 5 of Regulation No. 6 (Direction Indicators)**

### **I. Proposal**

*English version only, Annex 2., amend to read:*

"...

8. Number of test report issued by that service:.....

9. Concise description:

Category: 1, 1a, 1b, 2a, 2b, ~~3, 4~~, 5, 6<sup>2</sup>

Number, category: .....

..."

### **II. Justification**

As categories 3 and 4 were already removed from Regulation No. 6 a few Supplements ago, this corrigendum is intended to align the different language versions again because categories 3 and 4 are only mentioned in the english version now.
