

GRRF adopted the minor corrections below because various dates and timelines have been updated to take into account the delay to adopt phase I by GRRF and WP.29. (See informal document GRRF-78-47)

A. Proposal for amendments to ECE/TRANS/WP.29/2013/63

"Proposal for a global technical regulation on tyres"

Paragraph C.10., amend to read:

"10. In 2009, at the request of the informal working group, AC.3 approved the development of the gtr in two phases: the initial phase being dedicated to harmonizing requirements for passenger car tyres only, and requirements for light truck tyres, which carry a C or LT designation, to be harmonized ~~before the end of 2014~~ as a second phase. In the interim, the existing requirements for C or LT tyres (albeit non-harmonized) are included in the first stage of the gtr for completeness. The current document reflects that decision and contains only harmonized requirements for passenger car tyres, with the LT/C requirements remaining to be harmonized."

B. Proposal for amending ECE/TRANS/WP.29/2013/122

"Proposal for the final report on Phase I on the development of a Global Technical Regulation concerning uniform provisions for pneumatic radial tyres for passengers and light truck commercial vehicles"

Paragraph B.5., amend to read:

"5. In 2009, at the request of the informal working group, AC.3 agreed that the gtr should be developed in two phases: the initial phase on harmonizing requirements for passenger car tyres only, and a second harmonization phase on requirements for light trucks tyres, which carry a C (Commercial) or LT (Light Truck) designation ~~before the end of 2014~~. In the interim, the existing requirements for C or LT tyres (albeit non-harmonized) are included in the first stage of the gtr for completeness. The current document reflects that decision and contains only harmonized requirements for PC tyres, with the LT/C requirements still to be harmonized."

Paragraph C.23., amend to read:

"23. The technical content of the gtr has been presented to GRRF both at its seventy-third and seventy-fourth sessions, respectively in September 2012, ~~and~~ February 2013, **and its seventy-seventh and seventy-eighth session respectively in June and September 2014.**"

Paragraph D.26., amend to read:

"26. The informal working group has established in September 2010 a schedule for the development and completion of this gtr. The draft gtr, including Phase II, should be presented to GRRF at its ~~eighty-fifth~~ session in ~~September 2013~~ **September 2015** and, in the absence of any major disagreement, the final draft including Phase II could be approved at the ~~seventy-seventh~~ **eighty-three** GRRF session in **February 2014 2017**. After GRRF's adoption, the final report will be prepared and sent together with the approved gtr to AC.3 and WP.29 in **June 2014 2017** for probable approval in **November 2015 2017**."
