

Proposal for a Corrigendum to Regulation No. 43 (Safety glazing)

I. Proposal

Paragraph 5.3.1..., amend to read:

"5.3.1. In the case of windscreens, the notice of approval shall be accompanied by a document listing every windscreen model in the approved group, together with the characteristics of the group pursuant to Annex 1, ~~Appendix 8~~ **Appendix 10.**"

II. Justification

The cross-reference to Annex 1, Appendix 8 appears to be wrong, as this appendix is not (necessarily) concerned with windscreens: "Annex 1 – Appendix 8: Rigid plastics panes".

It is believed that the cross-reference in paragraph 5.3.1. should be to Annex 1, Appendix 10, which concerns the list of windscreens: "Annex 1 – Appendix 10: Contents of the list of windscreens".
